AEDS JOURNAL
SUBJECT INDEX
Volume 14, Numbers 1-4
October 1980 through September 1981

Academic Performance
Fowler, G.C., & Glorfeld, L.W. "Predicting aptitude in introductory computing: A classification model." 14:2:96-109.

Administrative Applications
McNamara, J.R. "A student-based method for student assignment and optimal tract balancing." 14:2:57-72.

Administrative Computing
Gillett, B.E., & Lawrence, J.L. "Use of interactive computer graphics to solve routing problems." 14:4:189-194.
Haugo, J.E. "Management applications of the microcomputer: Promises and pitfalls." 14:4:182-188.

BASIC
Lemos, R.S. "A comparison of nonbusiness and business student test scores in BASIC." 14:3:151-158.

Bus Routing
Gillett, B.E., & Lawrence, J.L. "Use of interactive computer graphics to solve routing problems." 14:4:189-194.

Business Administration
Fowler, G.C., & Glorfeld, L.W. "Predicting aptitude in introductory computing: A classification model." 14:2:96-109.
Fowler, G.C., & Rose, W. "Blending administrative and academic units in a systems application." 14:4:195-207.
Lemos, R.S. "A comparison of nonbusiness and business student test scores in BASIC." 14:3:151-158.
McLeod, R.G., Jr., & Jones, J.W. "A multi-materials approach for the management information systems course." 14:1:16-29.
Singhania, R.P. "Issues in teaching the introductory course in computers in business curriculum." 14:1:45-51.

Career Information System
Ryan, C.W., & Drummond, R.J. "Differential impacts of a computer information system on selected human service agencies." 14:2:73-83.

Computer-assisted Instruction
Jelden, D.L. "A CAI 'coursewriter' system for the microcomputer." 14:3:159-168.
Jelden, D.L. "The microcomputer as a multi-user interactive instructional system." 14:4:208-217.

Singhania, R.P. "Issues in teaching the introductory course in computers in business curriculum." 14:1:45-51.

Career Information System
Ryan, C.W., & Drummond, R.J. "Differential impacts of a computer information system on selected human service agencies." 14:2:73-83.

Computer-assisted Instruction
Jelden, D.L. "A CAI 'coursewriter' system for the microcomputer." 14:3:159-168.
Jelden, D.L. "The microcomputer as a multi-user interactive instructional system." 14:4:208-217.

Computer Education
Anderson, R.E., & Klassen, K.L. "A conceptual framework for developing computer literacy instruction." 14:3:128-150.

Computer-managed Instruction
Jelden, D.L. "A CAI 'coursewriter' system for the microcomputer." 14:3:159-168.
Spuck, D.W., & Bozeman, W.C. "A design for the evaluation of management information systems." 14:1:30-44.

Computer Literacy
Anderson, R.E., & Klassen, K.L. "A conceptual framework for developing computer literacy instruction." 14:3:128-150.

Computer Programming
Lemos, R.S. "A comparison of nonbusiness and business student test scores in BASIC." 14:3:151-158.

Computer Science Aptitude
Stephens, L.J., Wileman, S., & Konvalina, J. "Group differences in computer science aptitude." 14:2:84-95.

Courseware Development
Jelden, D.L. "The microcomputer as a multi-user interactive instructional system." 14:4:208-217.
Roblyer, M.D. "Instructional design versus authoring of courseware: Some crucial differences." 14:4:173-181.

Evaluation
Lemos, R.S. "A comparison of nonbusiness and business student test scores in BASIC." 14:3:151-158.
Ryan, C.W., & Drummond, R.J. "Differential impacts of a computer information system on selected human service agencies." 14:2:73-83.
Spuck, D.W., & Bozeman, W.C. "A design for the evaluation of management information systems." 14:1:30-44.

Group Differences
Stephens, L.J., Wileman, S., & Konvalina, J. "Group differences in computer science aptitude." 14:2:84-95.

Guidance
Ryan, C.W., & Drummond, R.J. "Differential impacts of a computer information system on selected human service agencies." 14:2:73-83.

Higher Education
Fowler, G.C., & Rose, W. "Blending administrative and academic units in a systems application." 14:4:195-207.
Stephens, L.J., Wileman, S., & Konvalina, J. "Group differences in computer science aptitude." 14:2:84-95.

Instruction
Fowler, G.C., & Rose, W. "Blending administrative and academic units in a systems application." 14:4:195-207.
Singhania, R.P. "Issues in teaching the introductory course in computers in business curriculum." 14:1:45-51.

Instructional Computing
Jelden, D.L. "A CAI 'coursewriter' system for the microcomputer." 14:3:159-168.
Jelden, D.L. "The microcomputer as a multi-user interactive instructional system." 14:4:208-217.
Roblyer, M.D. "Instructional design versus authoring of courseware: Some crucial differences." 14:4:173-181.

Instructional Design
Roblyer, M.D. "Instructional design versus authoring of courseware: Some crucial differences." 14:4:173-181.

Instructional Objectives
Anderson, R.E., & Klassen, K.L. "A conceptual framework for developing computer literacy instruction." 14:3:128-150.

Interactive Computer Graphics
Gillett, B.E., & Lawrence, J.L. "Use of interactive computer graphics to solve routing problems." 14:4:189-194.

Interactive Computing
Kehler, T.P., & Barnes, M. "Design for an on-line consultation system." 14:3:113-127.

Management Information System
McLeod, R.G., Jr., & Jones, J.W. "A multi-materials approach for the management information systems course." 14:1:16-29.
Skinkle, J.D., & Foecke, J.F. "Information systems for vocational education programs: Needs of the local education agency." 14:1:1-15.
Spuck, D.W., & Bozeman, W.C. "A design for the evaluation of management information systems." 14:1:30-44.

Microcomputers
Haugo, J.E. "Management applications of the microcomputer: Promises and pitfalls." 14:4:182-194.
Jelden, D.L. "A CAI 'coursewriter' system for the microcomputer." 14:3:159-168.
Jelden, D.L. "The microcomputer as a multi-user interactive instructional system." 14:4:208-217.

Prediction
Fowler, G.C., & Glorfeld, L.W. "Predicting aptitude in introductory computing: A classification model." 14:2:96-109.

Research
Stephens, L.J., Wileman, S., & Konvalina, J. "Group differences in computer science aptitude." 14:2:84-95.

School Redistricting
McNamara, J.R. "A student-based method for student assignment and optimal tract balancing." 14:2:57-72.

System Design
Fowler, G.C., & Rose, W. "Blending administrative and academic units in a systems application." 14:4:195-207.
Kehler, T.P., & Barnes, M. "Design for an on-line consultation system." 14:3:113-127.
Skinkle, J.D., & Foecke, J.F. "Information systems for vocational education programs: Needs of the local education agency." 14:1:1-15.

Systems Theory
Spuck, D.W., & Bozeman, W.C. "A design for the evaluation of management information systems." 14:1:30-44.

Teaching
Singhania, R.P. "Issues in teaching the introductory course in computers in business curriculum." 14:1:45-51.

Teaching Methods
McLeod, R.G., Jr., & Jones, J.W. "A multi-materials approach for the management information systems course." 14:1:16-29.

Tract Balancing
McNamara, J.R. "A student-based method for student assignment and optimal tract balancing." 14:2:57-72.

Vocational Education
Skinkle, J.D., & Foecke, J.F. "Information systems for vocational education programs: Needs of the local education agency." 14:1:1-15.

Year-round Schools
McNamara, J.R. "A student-based method for student assignment and optimal tract balancing." 14:2:57-72.
